Principal's Message

It is an honour to welcome you to the Aldar family and the Mamoura community. At Mamoura British Academy our vision is to provide:

“An innovative and sustainable learning community, where we nurture our learners through Collaboration, Leadership and Creativity.”

In our commitment to this vision, we strive to educate the whole child and to give every student the quality education and learning experiences that they deserve, whilst playing a full and active role in our local, national and international communities.

At Mamoura, we endeavour to provide the highest of standards in all we do and to give every student the environment to express creative talents and academic abilities in innovative and enterprising ways; with a focus on cross curricular learning and a highly specialised Middle School curriculum using our highly trained specialist teachers. However, we also understand that young people need much more than a suite of excellent qualifications and so along with academic success we also promote the development of lifelong skills in order to succeed through our Mamoura Learner, Teacher and Values DNA.

The globalised nature of our world means that young people must have a wide range of personal skills and qualities to achieve their dreams. At Mamoura we aim to encourage: International mindedness; strong interpersonal skills; confidence and cooperation; leadership and social responsibility; innovation and creativity. Underpinning these skills we provide a quality academic provision based on the rigorous UK National Curriculum and UAE Ministry of Education subjects.

Our world class facilities allow young people to work with the latest technology, play in safe and exciting environments, explore their own ideas in our learning spaces, use a wide- range of resources and materials, and course, have fun doing so. I very much look forward to fostering positive relationships with you all and welcoming you to our school.

Sarah Weaver

Principal, Mamoura British Academy

Meet our Executive Leadership Team

Sarah Weaver
Principal,
Mamoura
British Academy

Sarah Weaver brings to Mamoura British Academy over 20 years of leadership experience at both local and international levels; with ten of those being in the UAE. Sarah has been the Principal/CEO at the Academy for four years and during her tenure accomplishments have included moving the school from Good to Very Good in its most recent ADEK inspection, achieving Outstanding judgements in the 2023 BSO inspection, obtaining a Good rating in the ADEK National Identity inspections and has supported the school in becoming recognised as one of the Top 10 schools in the world for its commitment to sustainable and environmental action.

Sarah brings experience of working in both an Outstanding school and in one of the most improved schools within her educational groups network in the UAE. She was a highly successful Deputy Head Teacher in East London for over ten years, supporting her school to be the 4th most improved school in the United Kingdom.

During her career she has developed specialisms in; through school assessment, school improvement and early years education and as a result she has supported schools during their UK OFSTED inspections, External Reviews and KHDA Inspections within these areas.

Susan Adshead
Lower School Principal

Susan Adshead has been a leader within Aldar Academies for ten years and is now in her seventh year at Mamoura British Academy. Within this time, she has supported the school to achieve "Outstanding" judgments in the schools most recent BSO inspection.

As the Primary Principal, Susan is passionate about providing innovative and inspiring learning opportunities for children in an engaging learning environment. Susan firmly believes that the pastoral wellbeing and social and emotional development of the children must always be a top priority as students who feel safe and happy make the most academic progress.

Emma MacDonald
Middle & Senior
School Principal

Emma MacDonald is now in her third year as Middle and Senior School Principal at Mamoura British Academy and has supported the school to raise its ADEK judgement to 'Very Good' and achieve multiple 'Outstanding' judgements in the most recent BSO Inspection. GCSE and A Level results have improved under her leadership as has the range of options available to the senior students.

As the Middle and Senior School Principal, Emma is committed to the importance of varied learning experiences and has worked with the leadership team and staff to develop meaningful Project Based Learning and Industry Links at Mamoura British Academy. Emma believes that learning opportunities should be memorable and impactful on a child's life and that we should all be forever learning.

Emma has a First-Class master's degree in education as well as her National Professional Qualification in Headship (NPQH) and these, along with her experiences throughout 14 years of leadership, allow her to balance the academic needs and the welfare of the students, supporting the students, and families, at all levels.

Andrew Lett
Lower School Assistant Principal
for Assessment and Parental
Engagement

Andrew Lett started his teaching career in Northamptonshire, England where he taught for six years at two different schools after receiving his degree in teaching from Lancaster University in Primary Education. Andrew moved to Abu Dhabi eight years ago and has held a variety of teaching and leadership roles with a range of focuses including pastoral, curriculum, student achievement and assessment.

Andrew joined Mamoura British Academy in September 2021 and has shared his passion and dedication for assessment and developing links with our community. Andrew's main motivation is ensuring teachers and students are empowered to reach their full potential.

Sandra Hughes
Assistant Principal
Middle & Senior
School – Curriculum
and Assessment

Sandra has always had a passion for teaching, and once she completed her BSc in Mathematics, she knew that her career path would be in teaching where her focus would be on making young minds fall in love with Mathematics. Sandra started teaching in South Wales through the medium of Welsh, where she learnt to be bilingual with her teaching.

This experience opened her eyes to the experiences that some students face when something is taught to them not in their native language and has since developed her teaching technique to support all students. Sandra has had many opportunities to develop within her career and has taken on many leadership responsibilities from Head of House, Deputy Head of Faculty and then onto being a Head of Faculty. When Sandra moved to Abu Dhabi in 2015, her career started at Yasmina British Academy as a Mathematics teacher and Head of Year.

She then moved to Mamoura British Academy in 2019 into the role of Assistant Principal for Curriculum and Assessment. Sandra has been part of the team that has developed the curriculum to offer many opportunities for all students to study the subjects they have a passion for working with students and families to ensure that they make the right choices at the right time.

Saoirse Hall
Lower School Assistant Principal
for Pastoral Care and Curriculum

Saoirse Hall started her teaching career in the United Kingdom, where she gained experience across the Early Years and different year groups in Key Stage One, before progressing into a range of leadership roles. Saoirse has been part of the Aldar family now for 8 years, with 7 of those dedicated to leadership within Mamoura British Academy.

Saoirse is passionate about ensuring all children are kept safe and well within school and given the opportunity to partake in memorable learning experiences. She believes in the delivery of an exciting and innovative curriculum, that is accessible to all. Saoirse encourages the provision of opportunities for students and teachers alike, to ensure they are challenged to be the very best they can be.

Ian Wignall
Assistant Principal Middle
& Senior School - Pastoral
Support and Welfare

Ian Wignall is Mamoura's Middle and Senior School Assistant Principal, Pastoral. He joined the Aldar Group in 2022 having worked in Senior Leadership in three schools in very different settings. A large part of his career was spent at Brentwood Independent School before recently working at Harris Academy Riverside and then The Beaulieu Park School. Ian holds and NPQSL and a BA (Hons) in Physical Education, as well as a significant amount of training and experience in student wellbeing and pastoral support.

He is committed to ensuring the safety and wellbeing of each and every child and is determined to encourage our students to become role models by exhibiting our values and behaviours of which we can be proud. He encourages students to self-regulate, always reflect and be role models. Ian expects the students to envisage the highest standards to be demanded from them and to enjoy the sense of identity commensurate with being a member of such a great school.

Welcome from the Parents Committee

We have a passionate, supportive and driven Mamoura Parents Association. Through regular meetings and open dialogue, they advise and support the Executive Leadership Team in our constant drive to develop and improve. Their support for whole school events and links with the wider parent community ensure that communication is a strength and key messages are delivered successfully.

Curriculum Information

A PLACE WHERE WE EXPLORE (Nursery and FS2)

In the Early Years Foundation Stage (EYFS), we use the EYFS Framework which sets standards for the learning, development and care of all of our children. Our expertly skilled EYFS team delivers high-quality early education that supports an exciting, yet integrated, approach to early learning. With our meticulously planned and enriched environment, the EYFS team aim to ensure all children fulfil and exceed their potential.

The framework focuses on the three prime areas of learning (Personal, Social and Emotional Development, Communication and Language, and Physical Development) and details the four specific areas which support the prime areas.

A PLACE WHERE WE GROW (Year 1-2)

In the Lower Primary, we provide a successful, seamless transition from the EYFS curriculum into the English National Curriculum (ENC). We aim to provide a broad learning experience of English National Curriculum subjects alongside Ministry of Education ones. We encourage a rich variety of approaches to teaching and learning that cater for the different needs of individual children. The learning pathway is delivered through enquiry or 'Project-Based Learning', a method of teaching which inspires a love of learning and deepens a student's knowledge by challenging them to complete real-world tasks.

A PLACE WHERE WE FLOURISH (Year 3-4)

Students educational journey continues as children flourish with the opportunities they are provided with in Upper Primary. The transition in this phase of the school encompasses the students' journey from Lower Primary, but also prepares them for their graduation into the exciting Middle School. We enable children to adapt to new settings, quickly grasping teaching and learning methods and new expectations. This enhances the students' academic performance and most importantly ensures their well-being in school.

LEARNING FROM THE MIDDLE (Year 5-9)

In the Middle School years, Mamoura British Academy's rigorous curriculum focuses on supporting students to become independent learners and preparing them to succeed in Senior School and beyond.

Our Middle School learning program is an outstanding bespoke international curriculum which is designed to meet the developmental needs of young minds by offering a holistic program which encourages collaboration, creativity and developing innovative minds. We focus on Project Based Learning and developing links between subjects and years.

TRIUMPHING FROM THE TOP (Year 10-13)

The Senior School curriculum is a skills-focused programme that provides students with a broad and balanced knowledge of key subjects, as well as effective critical thinking and communication skills.

Our students follow the English National Curriculum, and start their two-year examination course, which revolves around preparing for the International General Certificate of Secondary Education (IGCSEs) in Year 10. The examination boards we use are Pearson Edexcel and Cambridge. These widely recognised entrance qualifications are valuable assets for students seeking admission to their preferred university, and are excellent preparation for the challenges of university life.

Students study the core IGCSEs in English, Mathematics and Science. This course of study is complemented with a number of optional IGCSEs. Students are given a choice based on their interests and future aspirations.

In Post 16, students will opt for two to three A Levels over the two years, as well as the chance to study for the Extended Project Qualification (EPQ). The A Level ensures students develop a mastery of several complementary or contrasting subject areas, whilst allowing them also to pursue options in areas of strong personal interest.

All of our A Level subjects are taught by specialist teachers who have a passion for their subject and who are there to support our students as they make their choices for university and beyond. The A Level combination of rigour and specialism makes it an ideal preparation both for university and working life.

MINISTRY OF EDUCATION CURRICULUM

As a school which is situated in the UAE, we also run the Ministry of Education Curriculum alongside English National Curriculum subjects. Our Native students will study both subjects until the end of their education. Our Non-Native students will study Arabic until Year 9 and then can opt to study Arabic in Year 10 onwards.

Bring Your Own Device

Digital technologies have become integral to the lives of children and young people, both within schools and outside school. These technologies provide powerful tools, which open up new opportunities for everyone. They can stimulate discussion, promote creativity and increase awareness of context, all of which promote effective learning. Young people should have an entitlement to safe internet access at all times.

Parents are requested to sign the "ICT Acceptable Use Policy," before joining Mamoura British Academy to ensure:

- ▶ That young people will be responsible users, staying safe while using the internet and other communication technologies for educational, personal and recreational use.
- ▶ That school systems are protected from accidental or deliberate misuse that could put the security of the systems or users at risk.
- ▶ That parents are aware of the importance of e-safety and are involved in the education and guidance of young people with regard to their on-line behaviour.

The school will make every effort to ensure that students will have good access to digital technologies to enhance their learning and will, in return, expect the students to agree to be responsible users. Parents are requested to sign the permission form below to show their support of the school in this important aspect of the school's work.

- ▶ The points accrued will be added to the parents account within 7 days.

Nutrition/Catering

Food Nation LLC. was established in 2016 to and the aim was to provide nutritious, innovative food offerings bursting with flavor to schools across the UAE. Food Nation uses only quality raw products and all products are made from scratch, ingredients are non-processed, additive free and use healthy fats over trans-fats that are found in many processed foods.

Food Nations, 'Eat Bright' programme creates products with specifically targeted nutrients to improve academic performance; ensuring essential nutrients, vitamins, minerals, proteins and healthy fats are included in our meals. Use of clever food combining and alternative cooking techniques results in delicious foods, packed with "hidden goodness", which children love.

Food served in our cafeterias, and menus are rotated on a three weekly basis to ensure variety and a balanced nutritious programme. Payment can be made via payment cards or online.

School Fees Cashless Payment Options

Dear Parents

To help collect payments in an efficient and streamlined manner and provide convenience to both yourselves and our school teams, we will no longer be accepting any cash transactions for your child's school fees.

Below are the payment options now available to you:

- **Bank Transfer** - Please include the Student Codes and Invoice References in the payment description fields and please send an email confirmation of the payment to the school's finance email address.
- **Cheques** - Please put these in a sealed envelope with the Student Codes and Invoice References on the reverse of the cheque and submit it via the dedicated drop box placed at the school premises. Upon clearance of the cheque, a receipt will be issued to the registered email address within 3 working days.

The school will not be able to accept credit or debit card transactions.

We believe this change will benefit how our schools operate more efficiently to serve you and help reduce the need for handling or transporting cash.

For ease, invoices will be shared to your registered email address and will be available on the parent portal. We would kindly ask that fees are paid by the due date mentioned on the invoice.

We are here to help you however we can, so if you have any questions, please do not hesitate to contact the school's finance team.

Kind Regards
