MESSAGE FROM THE PRINCIPAL

Welcome to Mamoura British Academy, a school with ambition at its core and excellence as its standard.

At Mamoura, we are unapologetically driven by the belief that every child can achieve extraordinary things. Our role is to make that happen through a world-class education that is intellectually rigorous, deeply relevant, and relentlessly ambitious for every learner.

Our foundation is a high-performance academic culture, built on a curriculum that is carefully designed, coherently sequenced, and uncompromising in its expectations. We do not settle for adequacy. We challenge every student to think deeply, work hard, and strive for excellence ensuring they leave us not only with outstanding qualifications, but with the confidence and capability to shape their future.

This ambition is realised through exceptional, evidence-informed teaching. Our approach is rooted in the very best of research, ensuring learning is purposeful, knowledge-rich, and secured for long-term mastery. Within our

dynamic learning environments, students are actively engaged, challenged, and supported to think critically, collaborate effectively, and apply their learning with confidence. In every classroom, you will see high expectations, expert teaching, and a culture where effort, precision, and pride in work are the norm.

Beyond the classroom, we offer a truly expansive curriculum that develops the whole person. Through sport, the arts, leadership, and our industry partnerships, students benefit from authentic, real-world experiences that broaden their horizons and deepen their understanding of future pathways. These opportunities are not additional; they are essential, building character, resilience, creativity, and the confidence to step forward in an increasingly complex world.

What truly sets Mamoura apart is our strong sense of community and belonging. Our values — TRACK: Trust, Respect, Aspiration, Courage, and Kindness — are the DNA of our school. They shape our culture, guide our decisions, and define how we learn, lead, and treat one another every day. We are proud of our UAE context, nurturing a deep sense of national identity, while preparing our students to thrive as globally minded, responsible citizens.

Our mission is clear: to develop young people of substance — academically accomplished, intellectually curious, and grounded in integrity and purpose.

Mamoura British Academy is not simply a school. It is a community of high standards, strong values, and limitless ambition.

I look forward to building this future together.

Doug Pettitt
Principal

SCHOOL OVERVIEW

At Mamoura British Academy, we nurture high-achieving, values-driven individuals who pursue opportunity, lead with purpose and thrive within a strong, connected community.

What sets a Mamoura British Academy education apart is its emphasis on real-world application, brought to life through industry partnerships, internships and work experience that give students authentic insight into future pathways long before they leave school. This is matched by a rich programme of extra-curricular activities, from academic societies and sports academies to enterprise initiatives and competitions, where students discover and pursue their passions with purpose. Supported by personalised learning pathways and exceptional teaching, every student is challenged and equipped to achieve outstanding progress, while character is developed alongside achievement: shaped by global understanding and British and Islamic values, students build integrity, empathy and a strong sense of responsibility.

Mamoura British Academy is more than a school. It is a connected community where every individual is supported to grow, contribute and succeed.

ASPIRATION

COURAGE

KINDNESS

CURRICULUM

Our curriculum provides a rich and balanced educational journey, designed to inspire curiosity, develop knowledge, and equip students with the skills needed for future success.

KEY STAGES

Nursery and Foundation Stage 2

Our Early Years Foundation Stage (EYFS) provides a nurturing and engaging environment where children begin their learning journey with confidence.

Year 1 and 2

Students transition seamlessly into the English National Curriculum while continuing to develop independence and confidence.

Year 3 and 4

In Years 3 and 4, students build strong academic foundations while developing critical thinking, creativity, and independence. Our engaging curriculum encourages curiosity, ambition, and a passion for learning.

Year 5 and 6

Students benefit from specialist teaching in key subjects while being introduced to a broader secondary-style curriculum. This approach strengthens academic confidence,

Year 7 to 9

Our Key Stage 3 curriculum challenges students to become confident, independent learners through engaging lessons, project-based learning, and a wide range of opportunities.

Year 10 to 13

Students can choose from IGCSE, A Level, and BTEC pathways tailored to their strengths and aspirations.

GCSE

When the GCSE pathway commences in Year 10, students follow a two year examination course. Students study the core IGCSEs in English, Maths and Science. This course of study is complemented with a number of optional IGCSEs. Students are given a choice of three pathways where they can achieve between 7 and 11 IGCSEs.

A LEVEL

Post 16 starts in Year 12, where most students will opt for three A Levels over two years as well as the chance to study for the Extended Project Qualification (EPQ). A Levels ensure that students develop a mastery of several complementary or contrasting subject areas, whilst allowing them also to pursue options in areas of strong personal interest.

The Mamoura Advantage

At Mamoura British Academy, we go beyond academic excellence, combining world-class teaching, personalised learning, and exceptional opportunities to develop confident, compassionate, and future-ready students.

MAMOURA BRITISH ACADEMY MUN CONFERENCE

Students participate in Model United Nations conferences, developing confidence in public speaking, critical thinking, diplomacy, and leadership while exploring global issues and international perspectives.

Cross-Disciplinary Learning

Students engage in innovative projects that connect subjects such as Ethics and AI, Mathematics and Technology, encouraging critical thinking, creativity, and the application of knowledge to real-world challenges.

Business and Enterprise Hub

Our dedicated Business and Enterprise Hub empowers students to explore entrepreneurship, innovation, and leadership through hands-on projects, enterprise initiatives, and real-world business experiences.

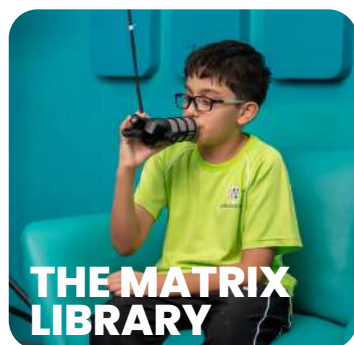

CAMPUS & FACILITIES

Mamoura British Academy offers state-of-the-art facilities that support outstanding teaching and a future-focused, sustainable education for every child who joins us. Our sports facilities, including a swimming pool, training pool, sports hall and astro-turf, basketball court, and dance studio, along with dedicated soft play areas, are designed to nurture your child's physical and social development from day one.

The Matrix, our flagship library, awaits as a dynamic learning hub with a podcast area, green screen studio, interactive boards, and flexible spaces for independent and collaborative learning. Our biodome offers an immersive environment for hands-on discovery, bringing science and sustainability to life. Inside the classroom, we empower students to think boldly and bring new ideas to life, while a safe, secure environment ensures every child can build positive relationships and thrive.

SCHOOL TRANSPORT

Safe, reliable transport is available for families across our school community, with all arrangements designed around student safety and established safeguarding procedures. Details regarding routes, availability, and registration are shared directly with families.

ENRICHMENT & EXTRACURRICULAR

Sports Offering

Our extensive sports programme provides students with opportunities to develop physical skills, teamwork, resilience, and leadership through a wide range of competitive and recreational activities.

Arts, Music, Drama

Our arts programme in music, art, and drama encourages creativity, self-expression, and confidence, providing students with inspiring opportunities to develop their talents and showcase their abilities.

Clubs and Societies

Our diverse range of clubs and societies offers students enriching opportunities to explore interests, develop new skills, and build friendships beyond the classroom.

Signature Programmes

Our enriched curriculum connects students with global industry partners, providing real-life learning experiences through workshops, keynote speakers, enterprise projects and educational visits. These opportunities inspire ambition, strengthen entrepreneurial skills and prepare students for future career pathways.

PASTORAL CARE & WELLBEING

Learning Support & Inclusion

We are committed to inclusive education that recognises the individual needs of every learner. Through collaboration between teachers, specialists, students, and families, we ensure the right strategies are in place to build confidence and promote success.

Health & Wellbeing

On-site medical support is available throughout the school day to respond to illness, injury, or medical needs. Clear procedures ensure timely care and communication with families, so students can focus on learning with confidence.

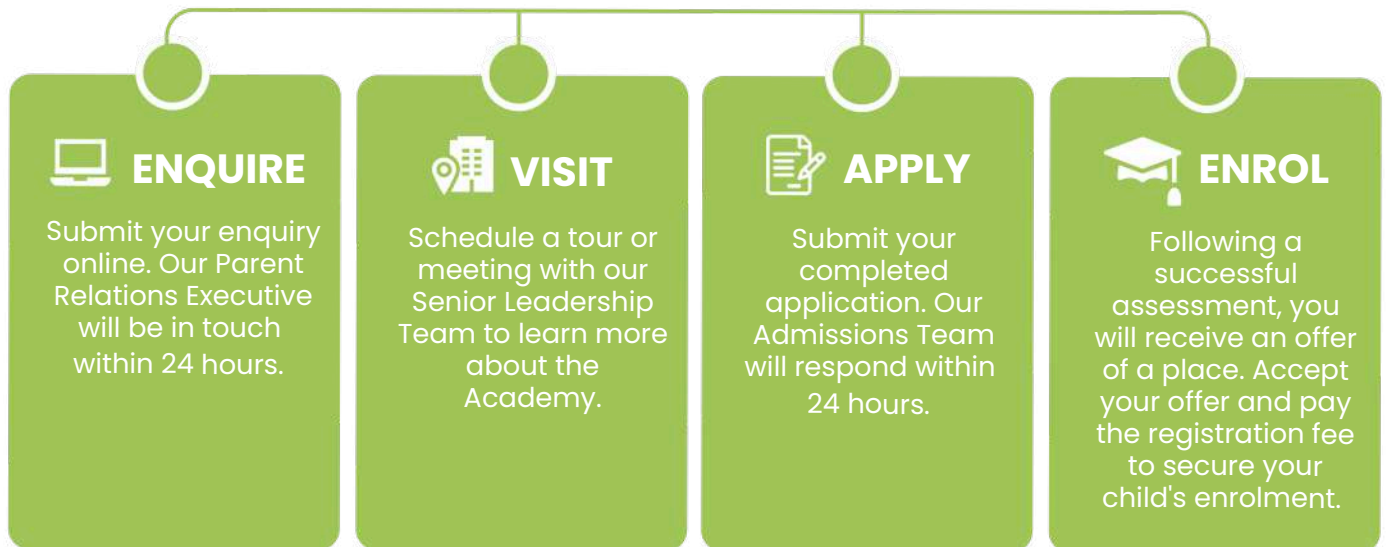

Safeguarding & Child Protection

Safeguarding is a shared responsibility across our school community. Robust policies are in place to protect every student, and staff are trained to recognise and respond to concerns appropriately.

ADMISSION & ENROLMENT PROCESS

At Mamoura, we nurture high-achieving, values-driven individuals who pursue opportunity, lead with purpose and thrive within a strong.

KEY ADMISSION DETAILS

Entry points by year group

Students may apply for admission at approved entry points in line with ADEK regulations and age placement requirements. Applications are accepted across year groups subject to seat availability and eligibility criteria. Age requirements are determined by the student's age as of the ADEK-approved cut-off date.

Assessment requirements

As part of the admissions process, applicants are required to complete an age-appropriate assessment in accordance with Aldar Education admissions guidelines. Assessments help determine a student's readiness for the curriculum and identify any additional support requirements. Outcomes are reviewed alongside previous school records and other admission documentation.

Dates & deadlines

Applications are accepted throughout the year, subject to availability; however, families are encouraged to apply early to secure a place. Key admissions dates, assessment windows, and enrolment deadlines are communicated annually by Aldar Education. Families should

FEES

Allouracademy fees are regulated by the Abu Dhabi Department of Education and Knowledge (ADEK) and are only subject to review every two years.

Year Group	School Fees Per Annum (in AED)*	Term 1	Term 2	Term 3
Nursery (FS1)	54,360	21,744	16,308	16,308
FS2 – Year 6	55,940	22,376	16,782	16,782
Year 7 – Year 8	68,550	27,420	20,565	20,565
Year 9	73,360	29,344	22,008	22,008
Year 10 – Year 11	77,250	30,900	23,175	23,175
Year 12 – Year 13	80,690	32,276	24,207	24,207

SCHOLARSHIP

Available to students from Year 9 and above, our Scholarship Programme celebrates exceptional ability across Academic Achievement, Innovation & Digital Technology, Creative & Performing Arts, and Arabic Studies. Successful applicants receive a tuition fee reduction through to graduation.

SIBLING DISCOUNTS

Families with multiple children benefit from increasing tuition savings; 10% for the third sibling and 15% for more.

REFERRAL PROGRAM

Refer a family to Mamoura and both you and the family you referred receive a 4% mutual tuition discount, our way of thanking you for growing our community.

Ready to secure your place?

We'd love to welcome you to **Mamoura British Academy**
